Gosh, and I didn't prepare a speech. Just to let all you lovely people know that I've been asked to republish my blog - see my profile, you won't regret it. Anyway I - (sobs) I'd love to thank a whole bunch of people - (wipes tear) for making this possible - but I can't think of any. Well, apart from some dodgy guy who emailed me, James, I think it was. Thank you James, who do I make the cheque out to? And is it a free bar?
