
The Lost Experience

Posted by markl - 2006/06/22 22:39

Has anyone been following this alternate reality game? It was a bit tricky at first-as with the actual show. It launched May with the mysterias phone numbers for the hanso foundation in the adverts during Lost. It moved forward now and is way more accessible. There's a hidden blog that gives daily updates on Rachel Blakes quest to uncover and expose the corruption in Hanso with clues and links to searchh out more information and decipher messages, or you can just follow the video blog as the sotry unfolds and revelas loads of information about Lost, either go to www.rachelblake.com and enter 'evident agenda' in the extra info blog or the direct link is <http://stophanso.rachelblake.com/> Its really wkld, share your clues if you are playing! or just watch and learn about the mysteries of Lost

Heya! The final part of the lost experience is taking place in london/manchester, is anyone here going??

i was planning on heading down thought it could be fun

heres the details incase you havent got them already ...

LOST EXPERIENCE – SPECIAL EVENT IN MANCHESTER AND LONDON NEXT WEEK!

The Lost Experience is nearing it's conclusion. The truth behind the numbers in Lost will shortly be revealed following the discovery of the final two UK video codes, which will be released at special events in Manchester and London next week

Meet up with other lost experience players and compete to be the first to track down the final two UK codes to complete The Lost Experience.

To take part, players need to meet at the following start points (along with a map of the city and mobile phone) at midday. Full instructions of how to track down the codes will then been revealed

MANCHESTER EVENT

DATE: WEDNESDAY SEPTEMBER 6TH

START TIME: 12 noon

MEETING POINT

The Chinese Arch

Faulkner Street

Chinatown,

Manchester M1

LONDON EVENT

DATE: THURSDAY SEPTEMBER 7TH

START TIME: 12 noon

Thames footpath between Isle of Dogs and Greenwich

– meet on the Isle of Dogs side

cya there?!

suZ x
