
Book topic

Posted by caterina - 2006/09/06 13:34

Has anyone else heard of this? I found this on a book blog & it's meant to be a new serialised book, like Dickens meets His Dark Materials meets Lost. <http://www.glassbooks.co.uk> Sounds bizarre & bit vague & the author G W Dahlquist is almost certainly a pseudonym, but nevertheless, an interesting way of releasing a books.

Alright Caterina,

You might be interested that i found the first chapter here when mooching through some Lost stuff.
